

Our hallmark: the joint pride we have in our city,
the region - your gate to the world.

Straightforward and uncompromising is how we understand our craftsmanship. We appreciate and trust in natural preparation methods and stand for ecological and economic sustainability. We establish direct partnerships with producers, growers and suppliers in the immediate surroundings that enable us to follow all the phases in the added value chain.

Our „front room“ is not called Lemsahl for nothing. We are at home here in Lemsahl - this is where we know our way around.

Our creations are discerning, honest, varied and creative. Regionally inspired cuisine with dedication and an appreciation for each individual ingredient.

Freshness and flavour.

PURE. AUTHENTIC. GENUINE.
