

Our hallmark: the joint pride we have in our city,  
the region - your gate to the world.

Straightforward and uncompromising is how we understand our  
craftsmanship. We appreciate and trust in natural preparation  
methods and stand for ecological and economic sustainability.  
We establish direct partnerships with producers, growers and  
suppliers in the immediate surroundings that enable us to follow  
all the phases in the added value chain.

Our „front room“ is not called Lemsahl for nothing. We are at  
home here in Lemsahl - this is where we know our way around.

Our creations are discerning, honest, varied and creative.  
Regionally inspired cuisine with dedication and an appreciation  
for each individual ingredient. Freshness and flavour.

PURE. AUTHENTIC. GENUINE.
